

**European Association of former Members of Parliaments of the Member States of the Council of Europe or the European Union**

Malta, 29 June 2016.

The President of the  
Association of the Turkis Parliamentarians  
TBMM Halaka Iliskiler Binasi,  
B-Blok Asmakat,  
Ankara  
Turkey.

Dear Mr President,

Dear Mr Dinçerler,  
Dear Mr Pakdil,  
Dear Mr Bağci,  
Dear Friends,

On behalf of the European Former Members Association, we completely condemn the atrocity that has just happened at the Istanbul Airport were so many lives were uselessly lost.

All Europe has for some time now been passing through a phase of these horrible terrorists' acts in trying to destabilize our way of life and frightening persons of travelling/visiting from one place to another.

Turkey has always been strong in facing up to these inhumane acts and am sure that today, tomorrow or in the future those responsible will have to face justice.  
We want to assure you that we stand solidly behind you in this hour of need.

Yours Sincerely,

Lino Debono  
President
